

SUMMER BOOK CLUB GRADE 5-6

Course Description: The class will cover a variety of genres, from historical and non-fiction to mystery and fantasy. Students will not only improve their vocabulary and reading comprehension skills but also explore a different type of writing for each genre. They will complete each week with a final project and presentation.

Course Objectives: Students will explore a wide range of genres, themes, and topics and engage with the text at a deeper level through various activities. From creative projects to oral presentations to in-class debates, students will build a stronger understanding of self and of the world.
